

JUNE 2016

Activities and Events

MEXICAN DAY

Continuing our international themed days this June the residents celebrated the culture and history of Mexico, finishing off with a musical session to get into the spirit of Mexico.

SPANISH DAY

Our final international day saw the residents taking a siesta in the Conservatory, celebrating the culture and history of Spain and of course sampling traditional food and Sangria!

RIGHT ROYAL STREET PARTY

To celebrate the Queen's 90th birthday residents, family, friends and staff gathered together for our very own Right Royal Street Party.

It was a wonderful event with everyone enjoying food, cakes and drink while being entertained by Marco the Magician, an impromptu can-can from the staff and a raffle draw to finish off the afternoon.

MATCH OF THE DAY

This June saw the start of the Euro 2016 in France and the nursing home was divided when it came to the England Wales match...

The England fans were disappointed to go 1-0 down to Wales...

But they were all smiling again when England won the match 2-1...

The Wales fans had the last laugh as they reached the quarter finals while England went out to Iceland!

LOOKING FORWARD TO SUMMER

This summer we will be taking part in various sporting activities to celebrate the Olympics in Rio and the tennis in Wimbledon.

So as we look forward let's remember our very own Olympic torchwalk to celebrate the London Olympics in 2012
